SECOND INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure as set forth in 37 C.F.R. § 1.56, the accompanying information is being submitted in accordance with 37 C.F.R. §§ 1.97 and 1.98.

The listed documents were either cited in the specification, a Search Report dated January 21, 2005, from the corresponding Australian application, or the International Search Report in the corresponding PCT application.

To assist the Examiner, the documents are listed on the attached form PTO-1449. Copies of the documents cited in the specification and the Australian Search Report are provided herewith along with translations thereof. However, only translations of the documents cited in the International Search Report are submitted as it is understood that the actual citations have already been transmitted by the International Bureau. In this last respect, the cited documents were previously identified in the First Information Disclosure Statement filed with the present application. However, on reviewing the citation form, it was

noted that the number and publication date for JP 2001-199932 is incorrect and a new citation sheet with the correct date for this published application is accordingly being provided herewith.

It is respectfully requested that an Examiner initialed copy of both citation forms be returned to the undersigned.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
